Whittier Mansion

(CAL-1907)

HABS I ©

Library Material: Pages of a Report, 19. Photographs, 16.  
Measured Drawings, 0.

History: Built between 1894 and 1896 in Richardson  
Romanesque and Period Styling by William Frank Whittier.  
The architect was Edward R. Swain. The building was  
occupied by the German Consulate just before World War II.  
Now the home of the California Historical Society.

Description: About 80' x 140', two-story with basement  
and attic.

(over)

Red Arizona sandstone. Masonry construction. Red tile roof. Richly decorated - exterior and interior.
